Unity in Values

WHO WE ARE?

Cyrus Offshore Bank(COBK) is a privately-owned bank headquartered in Kish Island South of Iran. Under the Cyrus Offshore Bank Act, COBK is established under license No.0064124 Dated 25 May 2021 by the permission of Central Bank of I.R of Iran to offer the most updated international banking services and improve the Trade Finance status by providing efficient and always available in hand services.

The activities of offshore financial centers (OFCs) depend on their ability to attract global financial business. Offshore banks commonly provide these services to non-resident entities.

Such services are varied and include debt financing, attracting deposits, trust management of clients funds. Offshore zones in which OFCs operate, have a number of features that distinguish them from other groups of countries with preferential taxation and create investment attractiveness for foreign investors.

The distinctive and recurrent characteristics of OFCs are:

- The primary orientation of business toward nonresidents.
- The low-or zero-taxation schemes.
